

Implementing regulation for the 60th Frohburg ADAC Dreieckrennen on 16.09./17.09.2023

1. In principle, all laws and regulations of the DMSB, the German Sporting Code as well as the organiser's announcement of 13.07.2023 apply.

2. Training

- Each rider is personally responsible for starting the training on time!
- The announcements of the paddock speaker are to be heeded.
- The start of the training is displayed in the pre-start area.
- **During the 1st practice session in each class, the field of riders will be led by the Head of track safety with the safety car for one lap to show the riders the course and the condition of the track.**
- **For the race, Class 5 and 6 riders must achieve a time in practice equal to 115% of the average qualifying time of the three fastest riders in his class.**
- **First-time participants at the Frohburger Dreieck have to wear a yellow safety waistcoat during training. The organiser will hand out this waistcoat at the WelcomeCenter on Friday.**
- There will be **no** run-out lap after the **end of the practice**. All riders leave the track before the city bend in the direction of the paddock! Pay attention to the track marshal!

3. Race

- Schedule changes will be posted on the information board, announced via the paddock speaker.
- **After the end of the race, there will be a return lap at slow speed!**
- The award ceremonies on Sunday will always take place immediately after each race. The award ceremonies of the **Saturday races will take place on Saturday, 20.00 hrs, in the marquee.**
- Participation in the award ceremonies is compulsory.
- **Attention class 3 and 4: There will be a separate evaluation and also the award ceremony according to individual classes!**
- Any vehicle involved in an accident will be taken to the place of technical inspection and cleared for collection by the technical inspectors only.

4. Note

- Riders and helpers only stay in the designated area!
- **Children are not allowed on the grid or in the pits!**
- Please use electricity sparingly!
- The disposal of used tyres and used oil is strictly prohibited on the entire race site!
- **The drivers' meeting will take place on 15.09.2023 staggered in the marquee. Participation is compulsory! Please note the Friday schedule → Class 1, 2, 3 & 4 on 20.00 hrs, Class 5 & 6 on 20.30 hrs.**

The organiser wishes you an accident-free weekend and a pleasant stay in the racing town of Frohburg.
